### As We Step Into 2025: A Message of Gratitude and Partnership

#### Happy New Year to You All!

As 2025 begins, we take a moment to extend our heartfelt gratitude to the valued community who supports Center for Hospice Care's partnership with the Palliative Care Association of Uganda. With your help, this partnership has built a foundation of trust, mutual respect and cultural understanding, creating a partnership that aligns seamlessly with PCAU's strategic vision of "palliative care for all in Uganda."

The previous year marked a milestone for PCAU as it celebrated 25 years of impactful work. From increasing access to palliative care in over 100 districts and 300 health facilities across Uganda, to expanding scholarships for healthcare workers, and supporting vulnerable children through the *Road to Hope* program, PCAU has made strides in improving lives. These achievements were made possible by your support and belief in our shared mission to bring relief and dignity to those in need.
